SAFETY: Please, when pulling up to drop off or pick up, please pull forward so that your passenger door or back passenger door (whichever your child will load up into,) is between the two bollard cones. Come this winter, this area will be the safest, sanded walkway for students

Soon we will have phones installed in all the outside classrooms furthering our security on campus. We will also be installing our own internet server with filtering/blocking in place. Additional lighting on the outside will be installed, as well as an upgrade to our keyless entry into the fenced area.

Music/musical instrument lessons with Mrs. Deb Cooper after school. For more info please email Mrs. Cooper at debcooper840@gmail.com

Grateful for you! I will be out of the office 9/6-9/16. Please call Mrs. Lund should you need anything. (907) 232-0442.
