The heart of any good Catholic education is the way in which the Catholic Faith is imparted to children. With heaven as our ultimate purpose in life, everything else in education, important though it may be, is subordinate to the goal of teaching our children to know and love Jesus Christ and serve His church.

VIII. Family Share Hours

Parent/guardian families are required to support the OLV by volunteering to help our school. A family with students in both the K-8 program and the preschool are only required to complete one set of family share hours. The expected amount of volunteer time depends on the duration of the student's enrollment in our school, and whether student comes from a single parent/guardian or two parent/guardian family.

Parent/guardians of **full day preschool** [8:20 am to 3:15 PM] students are expected to volunteer:

- Single parent/guardian: a minimum of 12.5 hours/ semester, for a total of 25 hours/school year.
- Two parent/guardians: a minimum of 25 hours/ semester, for a total of 50 hours/school year.

Parent/guardians of **morning students** 8:20-11:45 AM [3 days a week [M,W,F]] are expected to volunteer:

- Single parent/guardian: a minimum of 7.5 hours/ semester, or 15 hours/school year.
- Two parent/guardians: a minimum of 15 hours/ semester, or 30 hours/school year

Parents/guardians of **morning students** 8:20-11:45 AM [2 days a week [Tu, Th]] are expected to volunteer:

- Single parent/guardian: at least 5 hours/ semester, or 10 hours/school year.
- Two parent/guardians: at least 10 hours/ semester or 20 hours/school year.

A family share hours form is found in this packet and must be completed before student attendance.

[Please fill out family share hours agreement on page 12 and Family Talents and Interests, page 14.]

IX. Sick Child Policy

It is very important that we follow a child safety policy to keep our school open. Parents/guardians should carefully check their students before coming to school. If students have a: •fever, temperature above 100 degrees F, •chills, •cough, •shortness of breath or difficulty breathing, •fatigue, •muscle or body aches, •headache, •new loss of taste or smell, •sore throat, •congestion or runny nose, •nausea or vomiting, •diarrhea, **student should be kept at home**, notify us and check with your medical provider. At school mask wearing is encouraged, and is definite if social distancing is impossible, especially indoors. Students must wash their hands or sanitize them frequently. OLV frequently sanitizes our school, and each classroom is equipped with an air purifier. Classes are kept separate from each other as much as possible including the eating of lunches and recess. Social distancing is strongly recommended whenever possible. Many of the above- mentioned practices are subject to change depending on health concerns.

At school, if a child has a fever of 100+ degrees or has other symptoms, the staff will make a call to the parent/guardian for arrangements to be made for the child to be picked up from our facility. If written permission is on file in our office for prescription or over-the-counter medication, the office staff will administer medication to the child. Time, date, and amount given will be documented on a medication log form. This log form will be kept in the child's individual file.

Written permission must be given by the parent/guardian before any medication is given as well as the dosage. See medical information forms I & II. The staff administering the medication will initial the slip once the medication is dispensed.

If a child has a communicable disease such as the flu, strep, conjunctivitis etc., they will not be permitted in the preschool facility.

Any student will be sent home if contagious symptoms develop at preschool. A doctor's approval is required for readmission to OLV PS.

X. Injury

If a child becomes injured while at OLV PS, the trained staff will take appropriate action to treat the injury or seek medical help. The parent/guardian will be notified if it is deemed necessary and an accident/injury report will be completed and filed. The parent/guardian will be given a copy.

If no one can be reached and the child needs immediate medical assistance, the physician listed on the application or 911 will be notified. Fees for medical services are the parent's responsibility. Our protocol is to call 911 or take the child to the nearest medical facility, if we are ever in doubt of whether or not a child needs medical assistance.

[Please fill out Medical Information Sheets, parts I & II on pages 11 & 12]

XII. Curriculum The Catholic preschool curriculum is based on Letters to Heaven, and supplemented with Stories of God's Love, and Zoophonics and The Story of the World, Vol. 1. Copies are available in the classroom and the school office.

XIII. Preschoolers will be gradually integrated into attending Friday Mass. Students will then go to their classroom.*

XIV. Arrival and Departure Procedures

When arriving at our school:

Students should be dropped off between **8:10 AM and 8:20 AM** at the back entrance of Sacred Heart Church.

A list of responsible people to whom your child may be released to is found on the basic information sheet. Please update these names as needed. Our school must see a picture ID of the person picking up your child if we do not know them. Please call us ahead of time if someone not on your list needs to pick up your child. Children will not be released to any individual who is obviously impaired [intoxicated, disoriented, aggressive, etc.]

[Please fill out Basic Information Sheet, page 8]

XV. Extended Day Program. OLV offers an extended day program, before school from 6:30 AM until 8:15 AM and after school from 3:30 PM until 5:30 PM. Cost is \$5. per hour/one student, \$8. per hour for 2 students. Students should bring their own snacks to the program, and a designated adult must come in and sign the student in at the start of the day and sign the student out at the end of the day. See extended day program form on *page 18*.

XVI. School Closure OLV PS will follow the Mat-Su School District closure policy for schools in our area.

XVIII. Fire, Earthquake and Lockdown Drills These drills will be conducted on a regular basis. Students and staff will be trained so that these drills will be conducted safely.

XVIII. Guidance and discipline

The staff of OLV PS will strive to provide an environment where all individuals will respect one another, cooperate and work with one another.

It is expected that children will follow the established basic rules of conduct. Staff members will explain the reason for the rules, encourage children's input on how everyone can work together to make a safe environment and meet the needs of each child.

Appropriate behaviors will be reinforced and inappropriate behaviors will be re-directed and have consequences. All discipline will be administered in a positive manner that is child-centered and will contribute to the child's positive development.

Corporal punishment will not be used under any circumstance. Time-out and re-direction are acceptable disciplinary means at our school. In severe circumstance, a phone call, in some cases, a meeting between the parent, child and teacher may be required.

The rules are clearly posted in our classrooms for the children to read and observe. Age appropriate rules are taught. For example: no running, hitting, spitting, biting etc. Any fighting [physical altercations] may result in a one day suspension. A second offense may result in a 3 day suspension, and a third fighting offense may result in the expulsion of a child from OLV PS. Bullying of any nature will not be tolerated.

XIX. Outdoor Policy

Children will go outdoors every day, weather permitting. Parents/guardians should provide appropriate clothing such as hats, gloves, boots, winter gear, etc. Students will not go outdoors during the winter months if the temperature falls below 10 degrees. Wind-chill, rain or icy conditions are factors in determining if outdoor play is appropriate. Everyday full day students will go outside for at least 20 minutes or more. If your child is too sick to go outside, he/she is too sick to attend OLV PS.

XX. Meals and Snacks

Parents/guardians will provide lunch for their all-day students. The option of a school provided lunch is available on Tuesday/Thursday for a fee of \$5.00 per student. Parents/guardians must inform the school of student food allergies. Parents/guardians should provide before and after school snacks, if needed.

XXI. Field trips

Parent/guardian drivers must provide copies of driver's license, current insurance and a "Safe Environment: Adult Online Training" Certificate.

Safe Environment Program for Children, Circle of Grace,

Out of concern for all God's people and in response to the United States Conference of Catholic Bishops' *Charter for the Protection of Children and Young People*, we have a program for the safe environment education of children and young people supported and mandated by Archbishop of our Anchorage/Juneau Diocese.

Diocese/eparchies will establish 'safe environment' programs. They will cooperate with parents, civil authorities, educators, and community organizations to provide education and training for children, youth, parents, ministers, educators, and others about ways to make and maintain a safe environment for children. Dioceses/parchies will make clear to clergy and members of the community the standards of conduct for clergy and other persons in positions of trust with regard to sexual abuse. Article 12 – Charter for the Protection of Children and Young People

This program is called *Circle of Grace*. It is meant to supplement and be integrated into the excellent programs and curricula for the formation of children and young people in our schools and religious education programs. *Circle of Grace* aims to equip our children and young people by arming them with essential knowledge and skills grounded in the richness of our faith. This program helps children and young people to understand their own (and other's) dignity in mind, body, and spirit.

What is a Circle of Grace?

The Catholic Church teaches that God has created each of us as unique and special. Genesis 1:27 tells us that we are created "male and female in God's image" and that God saw this as "very good." In that goodness, we are meant to respect ourselves and everyone else as persons created and loved by God.

Adults assist children and young people to recognize God's love by helping them to understand that each of us lives and moves in a circle of grace. You can imagine your own circle of grace by putting your arms above your head then circle down in front of your body including side to side. This circle, front to back, holds who you are in your body and through your senses. It holds your very essence in mind, heart, soul, and sexuality.

Why is it important to help our children understand the Circle of Grace? God intends our relationships in life to be experiences of divine love. Respectful, nurturing, loving relationships increase our understanding of our own value and help us to love others. It is never too early to help children and young people understand how very special they are and how relationships in life are called to be sacred. Understanding this can help them to protect the special person they are and to be respectful of others.

Adults, especially parents, as they strive to provide a safe and protective environment, hold the responsibility to help children and young people understand and respect their own dignity and that of others. A truly safe and protective environment is one where children and young people recognize when they are safe or unsafe and know how to bring their concerns, fears, and uncertainties to the trusted adults in their lives. How is the Circle of Grace Program different from other protection programs? According to research, one in four girls and one in seven boys will be sexually abused by age eighteen. Many protection programs focus on "stranger danger"; however, up to ninety percent (90%) of the time the perpetrator of abuse is known to the child or young person such as a relative or family friend. Circle of Grace goes beyond just protection by helping children and young people understand the sacredness of who they are and how to seek help through their relationships with trusted adults.

If no one can be reached and the child needs medical assistance, the physician listed on page 11 [Medical Information Form 1] or 911 will be called. Family Share Hours Agreement

Family Share Hours

Parents/guardian families are required to support OLV by volunteering to help our school. A family with students in both the K-8 program and the preschool are only required to complete one set of family share hours, the K-8 program. The expected amount of volunteer time depends on the duration of the student's enrollment in our school, and whether student comes from a single parent/guardian or two parent/guardian family.

Parents/guardians of **full day preschool [8:15 AM to 3:15 PM]** students are required to volunteer:

Single parent/guardian: a minimum of **12.5 hours/ semester, 25 hours/year**

Two parent/guardians: a minimum of **25 hours/ semester, 50 hours/year**

See below chart for other share hour requirements

You can record your share hours time and activities on the Sycamore System under: specialties-service manager.

Some Suggestions for Volunteering

- Cook meals on Tuesday/Thursday, [many cooks prepare food at home, and bring it to school to serve.] Cooks obtain the food and are reimbursed for their cost. •Help serve the meals/snacks.
- Assist the teacher in the classroom. •Driving students for field trips. •Assist in supervising students at recess or noon. Assist in supervising students in the extended day program •Assist teachers in preparing material for instruction. •Assist at fund raising dinners and activities. •Assist at the annual fundraising auction, •Assist in poker night fundraisers, •Assist in year end plant sale, •Help shop for school supplies. •Help with building/grounds maintenance. •Assist the teacher by preparing instructional materials at your home.

Please discuss your family share hours with your teacher or the office staff:

[One form/family] APPEARANCE CODE & UNIFORMS

Uniforms are checked every day by the classroom teacher. If your child is not in uniform including proper haircut, shoes, length of jumper/skirt, etc., the child's Parent/Guardian may be called to bring such items to school and/or to pick up your child. No logos other than OLV allowed. Generally speaking, purchasing uniforms for our private school is cheaper than purchasing clothing for public schools. You may purchase items locally or use the following: www.Landsend.com, school code 900124652 or [Hilfiger at www.globalschoolwear.com](http://Hilfiger.com). Our school code is OURL07. Create a new account. There are some "gently used" uniforms available at no cost. Contact our office. We encourage parents/guardians to donate their child's outgrown uniforms for others to use, when possible.
